**Welcome to the tenth Golcar Lily Day.
I hope that you have a great day.**

Every year we try to get something different and this year we have made quite a lot of changes. The procession will start from the Rose and Crown at 11.30. Last year we had a lovely procession but I don't think anyone was up! So we've made it later. As we are celebrating our tenth birthday we have decided to have one big party and we would like lots of fancy dress. Anyone in fancy dress is welcome to join the procession and prizes will be given for the best **homemade** fancy dress with the theme of '**celebration**'.

There will be Golcar races in the streets, a bake off, two re-enactment groups on the field and much, much more besides. Don't forget to be out in the village at 2.30 for dancing in the streets to the sound of Manhattan Sound Big Band.

We have a welcome stall on Jubilee Square where you can find any information you need.

We are delighted to welcome The Mayor of Kirklees, Councillor Paul Kane and his partner The Mayoress Susan Bedford to enjoy the day with us.

Something to look out for is the Golcar Star badge. We believe that Golcar is a very special place and the Golcar Stars are what make it so. If you see someone wearing a star badge, they are one of the many volunteers who put time and effort

into making our village a great place. And if you believe that you should have a star, go and talk to the people on the welcome stall. Let us know how many stars you see. We will be keeping a record of numbers, because people find it hard to believe just how supportive Golcar folk are.

....and, just in case we get a good day, look up because we may have a Spitfire flying overhead!

Come rain, come shine, come and join us.

Matt Tidmarsh's hobby is racing his sports car. Last year he raised a substantial amount of money for the Help for Heroes charity.

This year again he will be racing at tracks all over the country. The Huddersfield Roundtable have proudly sponsored his car and we wish him all the best for a successful racing season.

Come and meet Matt and have a look at his car in the village on Golcar Lily Day.

Guided ginnel walk

Maps are available on Lily Day from the Welcome stand in Jubilee Square, the library and the Golcar Lily Day stall in the car park at Town End.

| | |
|------------------|---|
| Time: | 1.00 |
| Meet: | St John's Church gates, Church Street |
| Distance: | approximately 3 kilometres. A shorter walk is also possible. |
| Duration: | approximately 1 hour 30 minutes |

There are 3 fairly steep climbs but they are only short. Wear suitable footwear, and if required

bring a stick or walking pole. Maps are available on Lily Day from the library and the Golcar Lily

Day stall in the car park at Town End.

Beyond Golcar's ginnels, this walk takes you past a well-hidden but spectacular weaver's cottage and then along the canal towpath. Mid May is an ideal time to walk along the towpath as the trees look beautiful with their lush foliage. You might even see the electric-blue flash of a kingfisher as it darts past you.

Minibuses

As well as all the entertainment in Golcar, there's also lots to do at the venues. Two free minibuses will be operating on Lily Day to drop you off at a venue and then either take you to another venue or bring you back to Golcar. Hop aboard to visit Bolster Moor, Sycamore Avenue, Golcar Baptist, Scapegoat Hill, Parkwood and Providence.

Park and ride is available from the Pennine Manor, Scapegoat Hill.

Ceremony Shire Horses

Since 1960, delivery horses have been a big part of Daniel Thwaites heritage, and until very recently they still delivered beer to our pubs within the Blackburn area.

And although we now use vehicles to deliver beer, our horses are not forgotten. In fact, they have a very hectic schedule throughout the year with appearances at numerous horse shows and events to raise money for charities up and down the country.

The horses will take part in the opening ceremony and then be outside the Commercial Inn for a couple of hours.

Transport Collection

Visit Golcar's excellent transport collection on Knowle Road, next to Providence church. There you will find a fine collection of beautifully restored vintage buses. Open all day.

Dog Wardens

Kirklees Dog Wardens will be with us again this year. They can be found in the library or at our welcome to Golcar Lily Day Stall on Jubilee Square

Golcar United Football Team

Golcar United was established in 1904 and played in the Huddersfield District League. During the 1930's the team regularly played in front of in excess of 1000 people and even featured on cigarette coupons. The teams moved to the current base at Longfield in 1955 where we have been based ever since. In 1993 Golcar United joined the West Riding County Amateur League and now run four adult sides (one in the WRCAL and one in the Huddersfield District and one veterans team). This season we also re-joined the RDC Junior League, fielding teams at under 7, under 9, under 10 and under 11. We aim to be a community standard club by the start of the 2016 - 2017 season.

The first team plays in the premier league of the West Riding County Amateur League and finished runner up last year. Our second team plays in Division 2 of the WRCAL and are currently on course for promotion. The third team recently moved into the Huddersfield District League and we aim to use this team along with the Under 21 team to help young players gain experience of open age foot ball.

The club has recently gained funding to help to develop the ground at Longfield to improve facilities for the community. We have a grant from LV to improve the showers. Zeneca has provided funding and manpower to improve the access. The Winkle Club

provided funding towards the dug outs and the Football Foundation has helped to fund a tea bar, new goals, ground equipment and improvements to the changing facilities. We also have numerous local sponsors who are invaluable to the club. Without their outstanding and continued support we would struggle.

As a club we have realised the importance of providing junior football for Golcar. We have not had teams entered in the Junior Section since the late 1990's. Starting with eight children and a couple of footballs in February 2014 on Golcar Cricket Field we now have five teams entered into the league. We have self-funded to ensure that all coaches gain the relevant qualifications. We currently have over one hundred children signed on and playing every weekend at our base at Golcar JMI School on Manor Road. As a club we want to focus on expanding the junior section and hope to offer football across all age groups.

Golcar United aims to offer affordable football to Golcar and the surrounding community. If anyone would like to help with sponsorship we would be extremely grateful. We also rely solely on volunteers. If anyone is interested in joining as a player, on a committee or as a coach to the junior teams **please do not hesitate to contact Ben Senior on 07825 744829.**

Bolster Moor Community Association (BMCA)

Formed in 1999, the Bolster Moor Community Association (BMCA) organises events and activities for the benefit of the local community. Our regular programme of events include:

- Organising social activities including a monthly lunchtime 'Snack and Chat', and an annual coach trip.
- Planting bulbs and wild flower seeds around the area.
- Caring for the local environment by organising litter picks, and maintaining the Community garden area.
- Promoting walking for pleasure
- Supporting local charity events

- Producing the 'Can Can' newsletter three times a year

Currently, we are organising various fundraising activities, including selling mounted photographs printed from the Bolster Moor Archive Collection. We hope to raise enough money to buy a defibrillator for our village.

The BMCA is open to anyone who lives, works or walks in the area. We are a friendly, informal group and new faces are always welcome. We meet at 8.00 on the first Tuesday of the month, at the Golcar Lily. To find out what's in the pipeline, or to offer help and support in any way, come along and give us a try - email:

Bolster Moor Nursery

As from September, Bolster Moor will have a brand new nursery! The new facility will still be at the former Chapel where the existing play group

currently operates, but will be open 51 weeks of the year, and offer a much wider range of child care options.

The current playgroup has a long standing history within the community, but when the Baptist Association put the Chapel up for sale, it was no longer financially viable for it to continue in its present form, being a registered charity, as a huge amount of remedial work was required on the building. Fortunately, the co owners of the Farm Shop came to the rescue and bought the building, and also the current chairperson of the playgroup has invested in the venture and will run the new nursery, which will be fully refurbished offering a bright, modern and stimulating environment, which will still be at the heart of the Community.

To read more about the new nursery, or other BMCA news, visit our website:

Milnsbridge Library Art Project

About the Art Project

I've found this definition in a dictionary:

Idea: noun (suggestion) "A suggestion or plan for doing something"

And that was it.

To do something in a place that had boarded up since I started working in Milnsbridge (13 years ago). In fact, it's been boarded up for long before I came.

This was the former village library, and then the idea came along: With permission granted by the council, owner of the property, and the help of many people from Colne Valley, this colourful installation took form.

I didn't do it alone, many friends, joiners and businesses helped to make it. Each book spine that you can see in the artwork was made by a child from local schools, including St John's & Manor Road from Golcar.

I hope you enjoy it, and I hope it brings memories if you used the library when you were young.

Enjoy it while it lasts.

Golcar Sing Sunday 15 May, 2.45, Providence Methodist Church, Knowle Road Golcar

Golcar Sing will take place at Providence Methodist Church. We are very grateful to Providence for their very kind hospitality. Although a "Sing" should ideally take place outside, this has proved to be impractical over the years. In fact Golcar Lily Day has become famous for rain! So we now agree that the Sing will happen indoors where we can all enjoy warmth, comfort and a cup of tea afterwards.

This year we welcome Huddersfield Wind Band again to lead us in our hymns. If you would like to join the choir for the Sing,

we will be rehearsing at Providence on Wednesday May 4th & 11th at 7.30 pm. All very welcome.

Happily, Stewart Culpan will be looking after us again and speakers at the sing are Janet Chantler and Chris Hartley, recent village arrivals.

33rd Foot Regiment

Our group represents the 8th company of the 33rd Foot, from their return in 1812 to the final peace in 1816. We portray a standard line company, typical of the redcoats of the time and the backbone of the British Army. Emphasis is placed on the life of the ordinary infantry private during times of peace & war.

As a company we attend events all over the country ranging from small appearances to

large battles with hundreds involved. Larger events often occur on the continent with many nationalities taking part. There are also many "living history" events where we show how soldiers lived from day to day. Barracks scenes and camps are often set up showing many of the other activities soldiers took part in when not fighting. During the winter months we have regular meetings and drill practices where members learn the period drill and manoeuvres.

Golcar & Slaithwaite Walkers

Golcar and Slaithwaite Walkers are Welcome

Now's the time to get those walking boots on!

If you like walking, we may be able to help. Our aim is to promote walking in the Golcar and Slaithwaite area.

We've just produced a series of five leaflets for local walks, including two circular routes, Slaithwaite to Golcar and Golcar to Milnsbridge.

The leaflets are available from a number of local outlets, including Golcar library and they're also on our website. We've got plans to produce more walk leaflets.

We know how important it is to try and keep local paths accessible and we work closely with Kirklees Council to do this. We hold monthly path clearance sessions to cut back vegetation, particularly fast-growing brambles!

If you'd like to find out more, or come and help, check out our website

- **Activities: Children's DIY—crafty things to make and take home.**
- **Demonstrations: Spinning, Weaving and Clog-making plus bread making in the Victorian kitchen—our famous Golcar Lily Loaf—first come, first served!**
- **Refreshments: Our Spring Rock Tea Rooms will be serving homemade cakes and scones all day.**

Even though Colne Valley Museum has been closed since the last Golcar Lily Day, the volunteers have been busier than ever, sorting and packing up all the collection to put into storage so that the building restoration work funded by the Heritage Lottery Fund could commence - we even had a television drama film crew thrown in for good measure!

It's all been very exciting – we really enjoyed meeting the stars from the ITV drama *Jericho* – it was intriguing seeing how the set crew disguised a doorway or window by building in a dresser or a false wall – and that horse must be the most patient and best natured horse in

Britain! It stood for hours down Cliffe Ash.

As Golcar Lily Day approaches we are hoping to have most of the building open, so you can come and see what's been happening. We shall have a photographic display showing the building works as they progressed. We aim to have our bread team working at full speed making the Golcar Lily Loaves as well as having some children's craft activities, and our Tea Rooms will be serving homemade refreshments from 10am, including cakes, biscuits and scones with jam or cheese and homemade chutney. We will also have a stall on Town End.

The museum has been kept alive for over 46 years now, run entirely by its volunteer members. We have lots of volunteering opportunities and new members always welcome – come and join our sparkly new museum!

Please contact Lesley Crawshaw or Margaret Woodcock on 01484 659762 (leave a message) or by email on: info@colnevalleymuseum.org.uk

Stockport Morris Dancers

"In October 1885 there were several morris dancers at Northenden, then Cheshire now south Manchester.

They had light coloured trousers tied with ribbons at the knees, white shirt sleeves, straw hats trimmed with ribbons and artificial flowers. The music was made by triangle, fifes and drums.

On the 21st September 1889, being Stockport Wakes (industrial holidays) a band of morris dancers perambulated the streets in the evening dressed in white stockings, knee breeches, white shirts trimmed with ribbons and small caps. They were preceded by a good band of music playing dance tunes, in front which was a lusty

man plying a big whip. In the rear was "old sooty face" with a well patronised collecting box. The following Monday they paraded Edgeley preceded by a lorry decorated with arches and carrying a number of little girls prettily dressed.

At the Wakes in 1890 a troop of morris dancers were habited in black jockey caps, white shirts, black knee breeches, blue sashes, white stockings and black shoes. Instead of handkerchiefs they had thick white cords tied to the wrist and knotted at the end. "

These reports were from original archive material

When the side reformed in 1984 the main membership comprised Dads whose offspring were enjoying themselves too much in the guise of "The Fosbrooks".
