### Welcome to the ninth Golcar Lily Day.

We have been counting up a few things lately, not least how many fine days we have had! Ah well, come rain or shine we all have every intention of having a wonderful day. A particular welcome Elizabeth and Alex who will open the day for us. You will find their photographs and some information about them in this programme.

This year we are celebrating Gifted Golcar. We know how many talented people there are in our village, all the music you will hear helps to prove that! But we wanted to find out more about our young people and the things that they are proud of, and our local sports teams of every kind. I hope that there will be many examples of all that the people of Golcar achieve and we can celebrate their skills.

Once again the road through the village is to be closed and we look forward to seeing a lot of dancing in the streets. From Morris Dancers to children's Zumba, from Brownies and Rainbows around the Maypole, to the sound of the Big Band I am sure that there will be something for everybody.

Look out for our decorated trees, which we enjoy so much, and this year get ready for some sports on the field. Last year's bake off was very popular and this is just one example of the very good food Golcar can produce. The environment group has been out again making Golcar look as clean and tidy as possible.

Thank you very much indeed as ever to all the local businesses who support us and

to all who volunteer so kindly to make Golcar Lily day such as fun day. Don't forget the Golcar Lily Day stall and the bottle tombola which raise much needed funds. On the stall this year is the Golcar Lives book. A really good book by and about the people of Golcar young and old.

## Golcar Lily Day to be opened by Alex Burley & Elizabeth Berry

The Falklands war stuck with me because it was so far away and yet in every ones living room.

I think thats the first time I considered the Military as a career.

1985 after leaving school I started a YTS at Brooke Motors in longroyd Bridge. The 3 and a half years there helped me focus my life and apply myself.

For a brief time I joined the 3rd York's battalion as a Private. This helped me to get successfully apply for a position the the Royal Air Force I was employed as an Aircraft Electrician

My duties were maintenance of Tornado GR1b ground attack (Bombers) aircraft on my leaving day from 12 squadron I was given a "backseat" flight in a Tornado. 1Hr40

of Joy & terror that I will never forget. From there I worked on helicopters in Belfast where my main duties were Search & Rescue

For my 2 years service there I was awarded a medal for service

My final year with the RAF was at RAF Coltishall in Norfolk

My main duties were working on any Aircraft that visited the station except the Jaguars Aircraft stationed there.

I was lucky to meet a few dignitaries but the most memorable was the day I marshalled the Red Arrows at RAF Coltishall.

The travel is second to none...

Upon leaving the RAF I got a job with Subsea7 as a Remote Operated Vehicle (ROV) technician. With my background it seemed like natural progression.

These ROV are unmanned Submarines that are generally used by oil companies for various tasks offshore. From assisting with

Oil Well Drilling & Work overs to construction of oil fields although we do on occasion do things like aircraft blackbox recovery

I have worked for Subsea7 for over 17 years where I have progressed to a senior offshore position

I can hand on heart recommend this as a career but with a word of warning

If you want to be home for your kids birthdays, or if you love a family Christmas this isn't the job for you. There is a good chance that you will not be home for funerals

Angela my partner has never faulted in being the best as she handles the children and my absence admirably

I joined the Golcar Winkle Club about 5 years ago. I'm sure anyone local is aware of our work we do try to help locals and improve the appearance of the village. This club has been going for a long time and has a proven history for helping & I am proud to be a member of this club

I was born and grew up in the village of Golcar an only child and grandchild and was christened at Golcar Baptist church. I attended Manor Road Infant school, Knowle Bank Junior school and Colne Valley High School to complete my education. I was a regular user of Golcar Youth club in the 70's and was the first carnival queen in Golcar around this time.

After leaving school my first job was as an office junior for Kirklees education department where I

worked until commencing nurse training in Huddersfield at the age of 18. My ambition had always been to be a nurse since the age of 5 when my grandfather had bought me a nurse dressing up outfit, this passion for the career has never left me. Since qualifying in 1979 I have worked in several areas of the profession with the exception of career breaks for the births of my 3 children, Victoria, Alexandra and Oliver.

In the late 1980's I opened a clothes shop in Huddersfield which I ran until the birth of my son. I returned to nursing first working in a local nursing home then moved out into community nursing where I completed the Specialist Community Practitioner Honours degree in district nursing graduating at the age of 49 something I never thought I would ever realise in my career.

I worked as a Community Matron, Discharge Coordinator and District Nurse over the past few years until commencement of my current role, which is clinical manager for district nurses in Calderdale last year.

My grandfather Alfred Wall was the last owner of Golcar Ritz cinema which closed its doors for the last time in the mid 50's due to the increase in popularity of television at the time.

I am very proud to be the grandma of 5 children ranging from the age of 5 months to 10 years, Jamie, Louise, Jasmine, Ben and Maisie who give me a lot laughs and pleasure.

I have many happy memories over the past 50 years of Golcar and the time spent whilst living In this lovely village which I will always treasure and have always been proud of being able to call myself a Golcar Lily.

## Guided ginnel walk

Join Golcar's Environment group on this popular walk around the village's ginnels and further afield:

|                  |   |
|------------------|---|
| <b>Time:</b>     | 1.00  |
| <b>Meet:</b>     | St John's Church gates, Church Street                           |
| <b>Distance:</b> | approximately 3 kilometres.<br>A shorter walk is also possible. |
| <b>Duration:</b> | approximately 1 hour 30 minutes                                 |

There are 3 fairly steep climbs but they are only short. Wear suitable footwear, and if required

bring a stick or walking pole. Maps are available on Lily Day from the library and the Golcar Lily

Day stall in the car park at Town End.

Beyond Golcar's ginnels, this walk takes you past a well-hidden but spectacular weaver's cottage and then along the canal towpath. Mid May is an ideal time to walk along the towpath as the trees look beautiful with their lush foliage. You might even see the electric-blue flash of a kingfisher as it darts past you.

## Minibuses

As well as all the entertainment in Golcar, there's also lots to do at the venues. Two free minibuses will be operating on Lily Day to drop you off at a venue and then either take you to another venue or bring you back to Golcar. Hop aboard to visit Bolster Moor, Sycamore Avenue, Golcar Baptist, Scapegoat Hill, Parkwood and Providence.

***Park and ride is available from the Pennine Manor, Scapegoat Hill.***

## Dog Wardens

We will be attending the Golcar Lily Day as part of our new team. This team comprises of Dog Wardens, Enforcement Officers and Rangers. We hope that by bringing these teams together we will be better able to serve the people of Kirklees.

On the day we will be offering free Micro-chipping to all, courtesy of the Dogs Trust. The Enforcement Officers will be out and about giving advice to people about littering; the Rangers will support both teams as well as engaging with the community to build further links.

## Transport Collection

Visit Golcar's excellent transport collection on Knowle Road, next to Providence church. There you will find a fine collection of beautifully restored vintage buses. Open all day.

***We are hoping to have a Lancaster Bomber fly-by on Golcar Lily Day . . . weather permitting.***

# Leymoor Cricket Club

It was a good season for Leymoor First X1 who finished fourth in Section A, their highest finish in this section since 2006. The team only lost 3 league games all season but the weather conspired against them and valuable fixtures were lost at crucial times. The core of the side is still from the village and indeed rose up through the junior section of the club, there has been a number of signings in the last couple of years and due to league organisation they will compete in the Premier League in 2015.

The second X1 were Champions in 2013 and had another good season in 2014 and finished mid-table, there are a lot of youngsters in the side and this is invaluable experience as the club moves forward. The vast majority of the lads are from the village and with a selection of players at the older end there is a nice mix. The club are looking to expand their junior section again and an exciting link with a local school is proposed to feed in to the senior teams. The club is also fundraising to replace the existing building in preparation for a possible league move in 2016.

# Golcar Cricket Club

Golcar Cricket Club Junior Section consist of 5 different age groups

Under 9's, 11's, 13's 15's and 17's. The clubs highly successful section is based around a Thursday evening practice night at our Swallow lane ground, where there are often up to 70 children practicing at any one time. The kids play matches on four different days. 9's Saturday am, 13's Sunday am, 15's Monday pm, 11's and 17's Wednesday pm.

## Golcar CC Junior Section

Last season the Under 13 Squad Won there section in Sellers Junior League going unbeaten throughout the season.

The Under 15 Squad narrowly lost out on the league finishing runners up to Meltham, with the league being decided on the final day of the season.

The Under 11's finished in mid table with a fairly new and inexperienced side and unfortunately the Under 17's

finished bottom of the league but this side was made up of mainly the Under 15 squad.

The Under 9's who play in mini tournaments on a Saturday morning battled well throughout the season with some very young and inexperienced members playing with a few experienced, this hopefully bodes well for future years.

We also have 3 of our Juniors playing at representative level.

Maddie Walsh who played for the Yorkshire Girl Under 15 side who won the County Championship.

Ellie Smith who played for the Yorkshire Girls Under 13 side who won the County Championship.

Liam Dyson who represented West Yorkshire and Huddersfield Under 9's.

We will be running a stall with hands on children's activities throughout the day in the Scout and Community centre in Golcar. Come on down and have a go! You can also take a trip down memory lane, as there will be a selection of mounted photographs for sale from the Bolster Moor Community Archive collection.

Bolster Moor Parents and  
Toddlers

For babies and toddlers.

Please note that a parent or carer must stay for the session.

About us Attending our friendly Parents and Toddlers group is a social event: children play with children of a similar age, and parents meet other parents.

Our group is ideal preparation for children who subsequently join the Bolster Moor Playgroup — we find that children from our Parents and

Toddlers group are familiar with the surroundings and settle easier when they join the Playgroup for more-structured play at age 2. About us We are a community based, voluntary managed group caring for children aged 2 to 5. Most of the staff have been here for many years and offer a wealth of experience. Our playgroup is a fun place to be.

We will introduce your child to a wide range of new and exciting play and learning activities. Plus, your child will begin to forge new friendships with children who they may eventually start school with.

We are a registered charity, so any profits are invested to improve facilities for the children.

## Bolster Moor Community Association

Formed in 1999, the Bolster Moor Community Association (BMCA) organises events and activities for the benefit of our community. Our regular activities are:

- Organising social activities including an annual coach trip.
- planting shrubs, plants and bulbs around the village
- Caring for the local environment
- Promoting walking for pleasure
- Supporting local charity events
- Producing news letters throughout the year.

Previous projects were to refurbish the children's play area and to install a heritage style clock at Clough Head school, and run a design a logo competition.

The BMCA is open to anyone who lives in, works in, or is interested in the village. We are a friendly, informal group and new faces are always welcome. We meet at 8.00 on the first Monday of the month at the Golcar Lily. To find out what's in the pipeline or to offer help and support in any way, come along and give us a try.

## Golcar Racecourse

In the 1870s and 1880s there was a horse-racing track near the Rising Sun pub on Leymoor Road on a big area of open land known as Golcar Flat. Flat races and steeplechases were held and many of the horses that took part were kept in the stables of the Rising Sun.

The Steeple Chase became renowned, attracted thousands of spectators - many of whom drank in the pub - and had a purse of 40 sovereigns, which today would be equivalent to £3,364.

Sovereigns had a nominal valuation of £1 but were also used as gold bullion. If a

winner had kept the sovereigns for a rainy day, they would be worth today £14,400. An 1880 sovereign is today worth approx. £360.

One of the most successful horses to take part was Lady Golightly, when she died one of her hoofs was made into a commemorative ink well.

In 1884 the stand collapsed, preventing further proposed development.

The Golcar Flat has since been built on, although opposite there is a road called Derbyfields. Maybe to remember the areas racing past?

## Golcar library

Join us at the library to celebrate Golcar Lily Day from 10am. We have extended our opening hours for the whole day. We have enchanting storytelling sessions for children. While you're here, have your face painted and do some crazy crafts. Have you explored our magical garden? If the weather is fine, you can expect some fabulous outdoor activities. And, of course, you can browse our range of books, check out our local history section or even use a computer. Story telling sessions being held at 13.00 and 14.00

## Ceremony Shire Horses

Since 1960, delivery horses have been a big part of Daniel Thwaites heritage, and until very recently they still delivered beer to our pubs within the Blackburn area.

And although we now use vehicles to deliver beer, our horses are not forgotten. In fact, they have a very hectic schedule throughout the year with appearances at numerous horse shows and events to raise money for charities up and down the country.

The horses will take part in the opening ceremony and then be outside the Commercial Inn for a couple of hours.

# Sunday's events

## Golcar Sing - including guest appearance by Colne Valley Boys Sunday 11 May, 2.45, Providence Methodist Church

Golcar Sing will take place at Providence Methodist Church on Sunday May 10th at 2.45 pm. In previous years we have talked about singing outside, but this year we have given in and it will definitely be at Providence!

This year we are very happy to welcome Colne Valley Boys. They will be joining us and singing for us, which we are looking forward to very much indeed. Huddersfield Wind Band will be with us again and we can all have a really good sing. Anyone can join the choir to lead the singing; watch out for details of rehearsals.

Betty Taylor has agreed to talk to us about her Golcar memories and what it is like to be a Golcar Lily born and Bred! Stewart Culpán will be looking after us again so it will be an entertaining afternoon.

# Golcar & Slaithwaite Walkers

We took part in last year's Golcar Lily Day as a new organisation, when we were just beginning to find our feet.

Now we're a bit more established and we're keen to let people in the Golcar and Slaithwaite know more about us.

We've just launched our website at [www.golcarandslaithwaitewalkers.org.uk](http://www.golcarandslaithwaitewalkers.org.uk)

The website has details about our activities and you can contact us if you need more information by emailing [admin@golcarandslaithwaitewalkers.org.uk](mailto:admin@golcarandslaithwaitewalkers.org.uk)

Our aim is to promote walking locally by:

Improving footpaths. We carry out monthly footpath clearance sessions and we ask Kirklees Council if they can carry out larger jobs where these are needed. Contact us if you'd like to help with our footpath clearance work or if you know of a footpath that needs clearing.

Improving information about walks. We are arranging for boards to be erected that display a large scale map of the local area, showing all public

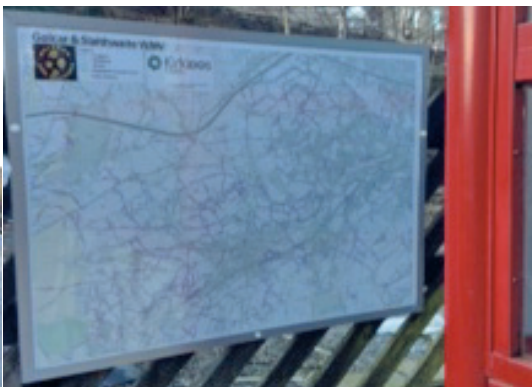

rights of way. There are already two of these mapboards at Slaithwaite station and we are planning to erect two more, in car parks in Golcar and Slaithwaite.

Producing walk leaflets. We are updating and reprinting a series of local walk leaflets, originally produced by the Colne Valley Trust. The first reprinted leaflet – Exploring Old Slaithwaite – will be available shortly. The new leaflets will also be accessible on our website.

Developing our new website. We plan to include a range of information on the website including the dates for future footpath clearance sessions, local walk leaflets, activities organised by other walking groups locally and details of local businesses such as cafes, pubs and shops.

We need more volunteers to help us to promote walking locally. If you would like to help or you want to find out more, go to our website at

**[www.golcarandslaithwaitewalkers.org.uk](http://www.golcarandslaithwaitewalkers.org.uk) or contact us at [admin@golcarandslaithwaitewalkers.org.uk](mailto:admin@golcarandslaithwaitewalkers.org.uk)**

# Colne Valley Museum

- **We're open from 10.30 until 5.00pm and entry is FREE!**
- **Activities: Children's DIY—crafty things to make and take home.**
- **Exhibition: Colne Valley Art Society's Annual Exhibition**
- **Demonstrations: Spinning, Weaving and Clog-making plus bread making in the Victorian kitchen—our famous Golcar Lily Loaf—first come, first served!**
- **Refreshments: Our Spring Rock Tea Rooms will be serving home made cakes and scones all day.**

This year Colne Valley Museum is 45 years old and its volunteers have even more reason to celebrate, having secured a grant from the Heritage Lottery Fund to renovate and refurbish the row of weavers' cottages at Cliffe Ash which house the museum.

Our dream is to establish a period bedroom in the end cottage so that we will have a complete weaver's cottage with living kitchen and wash cellar, bedroom and loom chamber for visitors to appreciate what life as a handloom weaver was like in the mid 19th century.

A new meeting room is also planned, for the use

of local groups, as well as better facilities for our visitors and schools, and a Community Heritage Resource Centre will be created to enable greater access to the museum's collection, especially for those tracing their family history.

By the time the Golcar Lily Day festivities are over the museum will be closing its doors for a few months to enable the extensive building work to begin.

However, we will not disappear entirely!

The Museum intends to 'pop up' in all sorts of places, to enable the

public to keep abreast of what is happening with the project, and we may see you at the many summer events such as Honley Show (Saturday June 13th) and Meltham Memories weekend (Saturday July 4th).

We'll also be going out to visit schools because they can't come to visit us, as well as giving talks to local groups and societies.

# Swallows Ratty Old Tractors

We are "Swallows Ratty Old Tractors", based in Marsden, we attend events throughout the North of England. We can recreate a 1950s themed farming display which consists of two Grey Ferguson tractors with period implements on the hitches, an Allis Chalmers B type tractor, and a Series 1 Landrover with cattle box on the back, containing our prized possessions!

As well as displaying the machinery, we bring our beloved "Lonk" breed sheep. All the sheep have been rescued from accidents on the A62 Standedge pass. The sheep are very friendly and will eat out of your hand.

If the weather is right we will demonstrate how to shear a sheep using a 1950s Lister Sheep shearing machine.

There is guaranteed to be plenty of photo opportunities and a good day to be had by all.

## Golcar Lily Day 2015 at Golcar J,N&I School on Manor Road

The school is open from 11am – 2pm with a selection of arts and crafts activities for all to join in.

Artists Jen Ellis and Jenny Strother will be organising a large picture to work on together as well as a variety of drawing and making activities including treasure boxes and gift bags.

There will also be exhibitions of work produced by all our local schools. The workshops are great for toddlers, school children, parents and grandparents, and free to join in so please come along to the school hall and join in the fun.
