Welcome to the eighth Golcar Lily Day.

We are very grateful to all those who entered the competition to design the new Golcar T shirt. The designs are on show in the Scout and Community Centre. We loved the designs so much that we hope to use something from all of them to make the new Golcar for Life design. We hope that the new T shirt will be available shortly.

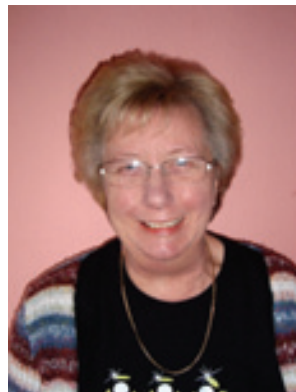

This is not the only new event for this year. The great Golcar Bake Off is taking place in Golcar JI&N School on Manor Road. We are grateful to everyone at Providence for the inspiration for this. (There may also have been a television programme too!)

Of course the biggest change is closing Town End to through traffic. We are very grateful to everyone who has helped us to make this possible.

We are also hoping that the new Golcar Book will be out on time. We have had a lot of fascinating contributions to this and I hope that you will all enjoy it. A particular thank you to the local school children who put so much into the book, and to our excellent printers who helped to make it to such an attractive publication.

Watch out for all the raffle tickets on sale around the village. We are very grateful to our local businesses that

support us. This is one of our few sources of income on Golcar Lily Day itself. Most of our fund raising is done during the year, thank you to everyone involved in that hard work.

Golcar Village

Guided ginnel walk

Join Golcar's Environment group on this popular walk around the village's ginnels and further afield:

Time:	2.00
Meet:	St John's Church gates, Church Street
Distance:	approximately 3 kilometres. A shorter walk is also possible.
Duration:	approximately 1 hour 30 minutes

There are 3 fairly steep climbs but they are only short. Wear suitable footwear, and if required

bring a stick or walking pole. Maps are available on Lily Day from the library and the Golcar Lily

Day stall in the car park at Town End.

Beyond Golcar's ginnels, this walk takes you past a well-hidden but spectacular weaver's cottage and then along the canal towpath. Mid May is an ideal time to walk along the towpath as the trees look beautiful with their lush foliage. You might even see the electric-blue flash of a kingfisher as it darts past you.

Minibuses

As well as all the entertainment in Golcar, there's also lots to do at the venues. Two free minibuses will be operating on Lily Day to drop you off at a venue and then either take you to another venue or bring you back to Golcar. Hop aboard to visit Bolster Moor, Sycamore Avenue, Golcar Baptist, Scapegoat Hill, Parkwood and Providence.

Park and ride is available from the Pennine Manor, Scapegoat Hill.

Dog Wardens

We will be attending the Golcar Lily Day as part of our new team. This team comprises of Dog Wardens, Enforcement Officers and Rangers. We hope that by bringing these teams together we will be better able to serve the people of Kirklees.

On the day we will be offering free Micro-chipping to all, courtesy of the Dogs Trust. The Enforcement Officers will be out and about giving advice to people about littering; the Rangers will support both teams as well as engaging with the community to build further links.

Colne Valley Art Society

You can see the society's annual exhibition at the Colne Valley Museum from Saturday 26 April to Monday 26 May. It's a great opportunity to see work from talented local artists. Most items are for sale; plus there's the usual bargain corner that's full of items (maximum price £15) to buy and take home immediately.

We are hoping to have a Dakota fly-by on Golcar Lily Day . . . weather permitting.

Golcar JI&N school 11.00 to 2.00

Bake-off to be held here

The school is open from 11am – 2pm with a selection of arts and crafts activities for all to join in. We will be making person shaped bunting, and giant cardboard cut-outs of people which everyone can help to decorate.

Based on the theme “Golcar Lives” there will also be an exhibition of drawings of Golcar residents and interviews of their lives by children from St John’s and Golcar JI&N school.

The workshops are great for toddlers, school children, parents and grandparents, and free to join in so please come along to the school hall and join in the fun.

Also don’t forget the judging of the ‘Great Golcar Bake Off’ in the school hall.

Meals on Wheels in Golcar

This new service provides a hot 2-course meal every Wednesday to 30 residents in the Golcar area. Recipients are people who are unable to prepare a hot meal themselves. The meals, prepared by the chefs at the Golcar Lily in Bolster Moor, are delivered by volunteers — no one makes a profit from the service.

Would you, or someone you know, like to receive a meal? If so, contact Sharon or Lynn. The team is also keen to hear from anyone who would like to help deliver the meals — whether you are available every Wednesday or just occasionally. If you want to know more, give them a call.

Golcar Lily Day Environment Group

Since last year, work to restore the dry stone wall along the bottom of the recreational ground, (or Two Furrows, to give it its Sunday name) has been completed and is a great improvement, for which we thank all who campaigned and all who worked to see it finished.

During the autumn approximately 2000 spring bulbs were planted along James Street and in the Pocket

Park on Sycamore Estate. These were kindly donated, and were subsequently planted by Clifford and Matthew to whom thanks are surely due. Nothing cheers quite so much as early flowers after a long, wet and windy winter.

Offers of help in clearing the ginnels are always gratefully received. The Scouts, and a group called Walkers are Welcome, have helped in this way.

Talking of ginnels, if

you have never walked the Golcar Ginnel Trail why not try a tour this year? The ginnels snake up and down the oldest part of Golcar and the walk eventually takes in the area where the first valley fulling mill was situated. Learn more about the local history of the valley people on this guided walk which starts at St. John's Church main gate at 2.00pm. Wear comfortable shoes and be prepared for lots of steps and steep hills!

The Oddfellows

You may not have heard of the Oddfellows but if you have ever been to the Golcar Lily day celebrations at Town End, you may well have seen us on the Pig Race Stall in the car park. We have been proud to support Golcar Lily Day for many years and feel it is something that binds the whole village together.

The Oddfellows are a Friendly Society and have had a presence in Huddersfield for the last two hundred years.

We were an integral part of the community in the early part of the twentieth century, before the welfare state was introduced, when a working man had to belong to a Friendly Society such as ours to be able to get benefits if he was ill or upon retirement.

The Oddfellows are an organisation who looks after their members social care and welfare needs as well as raising funds for good causes throughout the Town and

beyond. We still offer benefits for our members but not like in the old days when sick pay was a good part of a mans wage, today we offer what the state no longer provides in the form of benefits for optical and dental treatment. We also have a full programme of social events for all ages and dedicated members who will visit anyone in need of comfort or company.

Quelle joie de vivre à Golcar!

by French born Eric and his partner, Alina

We love Golcar. We came to Huddersfield in 2006 for professional reasons, i.e. work and study for a PhD with the University of Huddersfield. We used to live in the South before, and long before that, in Paris. We decided to buy a house and settle in Town End, Golcar, after a long house hunting search and visiting many areas in Huddersfield. Good choice, as we still love it after 7 years! We chose to live here as we love the geography of the place, we love the moors (not the rain though!) and the people. Also because we believe in a community spirit, local

events and businesses, which we are trying to contribute to. Our neighbours make us feel part of the community - we attended festivals, wine and beer tasting soirées and gruelling sporting events. Make sure you get some lovely bread from our famous bakery at the museum, it goes well with French cheese and red wine! One thing we do miss from back 'home' is the weekend markets, where you can buy fresh and seasonal local products. Why not bring on the 'Town End market'? Just an idea – it works well in France!

Golcar library

Join us at the library to celebrate Golcar Lily Day from 10am. We have extended our opening hours for the whole day. We have enchanting storytelling sessions for children. While you're here, have your face painted and do some crazy crafts. Have you explored our magical garden? If the weather is fine, you can expect some fabulous outdoor activities. And, of course, you can browse our range of books, check out our local history section or even use a computer.

Transport collection

Located in Knowl Road, next to Providence Church, the collection mostly contains vehicles made in Huddersfield by Karrier in the 1920s. Some vehicles are fully restored, some are currently being restored.

In 1947 a number of vehicles including a bus were buried by snow on Slades Road.

Stalls

There will be a wide range of stalls in Town End car park and in front of Renaissance 2, including Lily Day merchandise.

Golcar Sing

Sunday 11 May, 2.45, Providence Methodist Church

(In case of good weather, the Sing will be at Golcar JI&N School playing fields.)

Over the years we have made many new friends through Golcar Lily Day and the Sing. We have also lost people who have made major contributions to this delightful weekend.

Stewart Culpan and of course a mystery guest to talk about Golcar.

Once upon a time we sang outside and should the weather be warm and calm we may even do it

again. The school has said we may use their field. But failing that, Providence will open its doors to us and make us as welcome as they always do.

Malcolm Fairless who revived the Sing, which had not taken place since 1951 died in 2013. We are dedicating the 2014 Sing to his memory.

So, for Malcolm, come and sing! There will be hymns and choruses from the Messiah all accompanied by Huddersfield Wind Band. George Marsden will play the organ. There will be our excellent compere

The road to Japan!

In July 2015, Ella and Isobel will be joining over 30,000 Scouts from around the world at the 23rd World Scout Jamboree in Japan!

Both girls from 4th Golcar Scout Group were chosen out of 146 applicants from across West Yorkshire to represent the United Kingdom at the Jamboree.

Being selected for the Jamboree is a once in a life time opportunity, they will get to take part in loads of activities, learn about other cultures and experience what life is like in Japan. This really is the world in a field!

Attending the Jamboree isn't just about the two week

experience, it's about sharing your adventure with others, passing on your skills and to inspire other young people to follow their dreams.

Ella and Isobel are both active members of the Explorer Scout Unit (14 to 18 year olds) as well as Young Leaders with

the Beaver section (6 to 8 year olds), 4th Golcar Scouts are very proud to have them both as our representatives in Japan!

The challenge has already begun, before Ella and Isobel can go to Japan they need to raise a huge £3,400 each! Both Ella and Isobel have been very busy raising funds, with stalls at the Christmas Craft Fair and bag packing at local supermarkets.

If you would like to make a donation towards their fundraising please visit 4thgolcar.org.uk/donate/japan2015

The Life of a Golcar Lily

I was born at 18 Garden terrace, James Street, Golcar in 1949 and grew up in the 50's. I have lived in Golcar all my life so, without doubt, I qualify as a true Golcar Lily.

I lived in a three bedroom terrace house with mum, dad, two brothers and grandad. The only heating was from coal fires. It was my job to sit on the door step when the coal man delivered the coal to count the empty bags to make sure he didn't "diddle us"! The chimney sweep came once a year. What a task to remove and cover furniture and carpets, then run outside to see the brush come out of the chimney top. I ran errands for neighbours and was rewarded with a "penny for going". I remember that when someone died on our street the neighbours would have a collection towards a wreath and to show respect everyone would close their upstairs curtains. Taking pride in the outside of your house was very important,

swilling the yard and donkey stoning the steps and window sills were weekly jobs!

I attended Golcar C of E School on Church Street (which has now been converted into apartments) opposite the old Police Station. At that time the headmaster was Mr Hardwick. The first class was the "baby class" which was in the main hall. At 11.45am the hall was transformed into the main dining room. There were three classes in the infants and four in the juniors. The classes were large and J1 had a fireplace where a fire roared in winter. This room was also the Parish Room. I can well remember chalk, board rubbers and bunches of keys being thrown by the teachers! The best day of the year was the annual trip to St. Annes on Hanson Coaches!

Church and Sunday School were a big part of our lives, attending twice a day. There was the whitsuntide walk around Golcar with Scape Band, then tea in the Parish

Room followed by games on the vicarage lawn. The Sunday School Anniversary was a big day, with everyone in new clothes and the ladies wearing their new hats! Attending the church School, Ascension Day and Ash Wednesday were holidays from school but only after we had attended Church first at 9am.

Playing out was an important part of my childhood. We could play in the street then as there was very little traffic. We played jacks, tin can squat, hide and seek, fairies and witches, French cricket, dolls and prams and we were gang members (if you had the badge!) It seemed to snow more then and we would sledge down the "death track" towards Nancy Bridge. On Saturday afternoon I remember going to the Picture House in Leymoor Road. There was always a feature film followed by Black Arrow, a serial, which always stopped at the most exciting part, to be concluded next week.

The Life of a Golcar Lily

Christmas was an exciting time. There was a huge christmas tree in Jubilee Square with a large wooden nativity scene. On Christmas Eve Scape Band marched through the streets of Golcar playing carols all night then they came round with collecting boxes on Christmas morning. Our Christmas tree at home was never erected until Christmas eve!

Golcar had two thriving shopping centres. On

James Street (including Brook Lane) there were approximately 20 shops and Town End had a similar number. The only 'takeaways' were five fish and chip shops. Many changes have taken place over the last 60 years such as development of Banks Estate, Woodroyd, Wyvern Road and Sycamore Avenue which were all once fields and farmland. The original Baptist Chapel no longer exists. Providence

Sunday School is now Knowle Court Residential Home and Golcar Station disappeared in the 60's.

Although I have seen many changes, some good, some not so good, I still live in Golcar (Bolster Moor). I am proud to be called a Golcar Lily and on Golcar Lily Day - Golcar Lives!

Golcar and Slaithwaite Walkers are Welcome

Who are we?

We are a new local walking organisation and we're very pleased that we will be launching our Group at the Golcar Lily Day.

Some of you may remember that we were there at last year's Golcar Lily Day, collecting signatures on our petition so that we could affiliate to the national 'Walkers are Welcome' organisation. Well – we were successful and we are now an affiliated 'Walkers are Welcome' Group!

What are we planning to do?

Our aim is to promote and support walking in the Golcar and Slaithwaite area. We will be doing this by:

- Telling people locally about 'Walkers are Welcome'.
- Carrying out maintenance work on local paths and working with Kirklees Council to get footpath improvements done.
- Putting up large maps of all the walks in the Golcar and Slaithwaite area. We plan to do this at the railway station in Slaithwaite, at car parks in both Golcar and Slaithwaite and at local businesses, such as some of the local pubs

who've already said they're interested.

- Re-drafting and re-printing the local walk leaflets originally produced by the Colne Valley Society. We think these are very useful, but as they were first issued in 1998 they now need updating.
- Writing and producing some new leaflets for other local walks.
- Developing a website to provide lots of information about local walks and local services that walkers will want to use, such as pubs, cafes and shops.

Interested in finding out more?

We will be out and about at the Golcar Lily Day. If you want to find out more or you're interested in helping with any of our projects, then please have a word with us.

We are planning to have a walk from Slaithwaite to Golcar on Golcar Lily Day as part of our launch. Watch out for further details.

Golcar and Slaithwaite are two traditional stone built weaving villages located in the distinct area known as the Colne Valley.

Golcar is located on a steep hillside described by Sir John Betjeman as 'Provence of the North' because of its 2/3/4 storey weaver's cottages and narrow ginnels. The village is also the location of Colne Valley Museum, a unique voluntary Museum (more than 40 yrs. old) illustrating the domestic life of a woollen weaver in the 1850's, housed in four listed weaver's cottages.

Slaithwaite in the valley bottom, has large stone mill buildings alongside Huddersfield Narrow Canal and railway line. Slaithwaite is the home of Totally Locally, local businesses which promote local produce and the whole area has a wealth of local hosteleries and food outlets which cater for resident and visitors.

Both villages are surrounded by small former weaving hamlets linked by numerous public footpath routes, some formerly packhorse trails and later routes to the mills, schools, canal and railway, running up, down, around and along the valley side and bottom.

The area has a spectacular urban and rural landscape and a rich industrial heritage. Working collaboratively with the local Council, Golcar & Slaithwaite WAW aims to promote the area as a visitor destination, whilst at the same time working to improve and maintain the wealth of accessible paths and byways for the benefit of both visitors and residents.

What is OCT?

Ocular Coherence Tomography is an advanced eye scan for people of all ages.
