Those present A France, M Hall, K Sykes, S Tatum, L Knight, E Oldham, A Whitwam, M Ellis, S Whitwam, S Culpan, S Starr, M Evans.

Matters arising everything on the Little Lily Minutes is correct.

Treasurer's report we have £9800.85p in the bank. Sue has spent £700 re-stocking the merchandise stall. Car Boot Sale licence has arrived.

Insurance Michelle France has given us a quote of £184.50 with Public liability cover of £5 million. This also covers taking the merchandise stall to other venues, and covers any fund raising done throughout the year. This is on the condition that all stalls have public liability insurance, and all other activities on the day have their own insurance. We are paying £780 at the moment, Sue will speak to Michelle and Marion will contact the stall holders.

Switch on of lights this weekend, Lily Stall and Environment stall at the Scout centre on Friday, and a stall at the Museum all weekend. Volunteers needed.

Lily Day Theme is Golcar framed. Artists in the schools will direct the children with the theme. The preview of the calendar photos will be on Friday 12th May. The voting will take place on Lily Day. We need a Sponsor for this Sue will speak to Stephen Cummings (our sponsor for the award ceremony) and businesses to sponsor frames so people can take Selfies. Frames could be made by the Artists in Schools, or printed frames (Sue to see to that) or we could get them from Charity shops. A few weeks before Lily Day photos of the Ginnels walk to be taken, Matt has contact with David Preston who has volunteered to come along and help people improve their camera skills.

It was suggested we make people aware of the calendar and the theme on Friday 25th November at the Scout Centre. There is possibility of a walking Treasure Trail around Golcar following photograph clues.

Lynne has sourced a photo booth at £400 (maybe get a sponsor) matt is waiting for information on a professional photographer which could be much cheaper, this person would bring props to make it more fun. Mark suggested we ask Metro if we could use the bus shelter to take photos and give them free publicity. Scape Baptist have organised a knitted ice-cream van to go around the village and then have a standing area. this company sell puppets and soft toys. Betty is doing planted willies again. Debbie is doing the programme.

The parade will start at 10.45 so we can timetable events. The lay by on Town End will become an arena, chairs will be hired. We need stewards for the Road closure and to help set up. The Scout centre will only have free crafts for people nothing else. Craig will tell events people when they are timetabled to perform, and not the other way around. We need compares Susan & matt talked themselves into the job. The discussion of microphones is ongoing. The raffle for the paintings has been drawn.

Next meeting January 17th Little Lilies at Sue's Big Lilies January 24th at the Rose & Crown both 7.30.
