#### Discussion of points from Folly Hall Meeting

Floats for procession	<p>To be given serious thought.  Provide music and noise.  Concerns raised – Insurance, who are costs to be given to?,  Decorated? The route they will take and where will the floats go once the procession has ended?  Route discussed further and decided on leaving the Rose and Crown, going up to the village and leading onto the school car park and field.  Suggested the floats sounded expensive and unsure of how many groups would be willing to pay for it. Alternative suggestions of beds/rafts/smaller vehicles/go karts/bikes to be used instead.  Decorating bikes – bikes fit for superheros “Superbikes”  Band to march with the procession – either Linthwaite or Huddersfield and Ripponden – both to be contacted.</p>
Fun run	<p>To be done in fancy dress (like the procession up)  Different categories (Children/ Adults etc)  Picking brains of Lions for ideas regarding funding for fun run</p> <ul style="list-style-type: none"> <li>• Entry fee - £5?</li> </ul> <p>To use members of Normannis to stand at corners of the route “looking fabulous” to denote where to run.  Guest judge – possibly the Mayor for best fancy dress.</p>

Bins                                      Buying bins to deal with the excess waste created by the stalls.  
Soo Ellis to look at preferable stackable bins for storage at scouts later

Dealing with rubbish – To put a deposit on stalls may cause a headache for us involved.  
However, the idea of giving extra bin bags to stalls and asking them to clear up after themselves, with the idea that if it doesn't happen, then we charge next year.

Shop windows                      Superheroes in shop windows to provide a treasure hunt for visitors.  
Phil to organise with the shops/ Louise to organise the hunt itself.

Food maps and guides are organised and good to go.

Entertainment                      Morris dancers – not certain yet. Definitely 1 (we think)  
Theatre group – would like to take part in procession – perform at Providence.  
Belly dancers to come again.

Huddersfield and Ripponden have been informed.  
Kirklees music service to play at Providence but may be wanting to play nearer the village. Vicarage lawn or Croft at the museum?

Manor road school – still trying to contact for their input.
