### Matters Arising

Treasure £6633.20 at the minute.  
Offer of £250 from the Lions to be decided on for definite. Some thoughts that a sign on the side of the co-op might not be a great use- and to get a properly decent one we may be looking at closer to £1,000.  
Sue to keep in touch with the Lions to inform them we are still thinking about it.  
Debate on an art installation to commemorate Golcar on the side of the co-op, would need to ask the co-op first and it's not a huge amount of money for something permanent.  
Potentially speak to the Lions and find out if they had something specific in mind.  
Suggestion for a mural to be painted on the side of the co-op, similar to that of the mugs that are sold at the Huddersfield library.

Licenses Permission to use the car park granted. Part-way through road closure and informed the police that the event is happening.

Magician John – prepared to come and do some magic and announcing as arranged by Mark during the last meeting. - £150. Also contacted the local magic circle but there is currently no response.

Clearing up Mark also got – Harvey – who has done a lot of work cleaning up in villages. So he and his friends are coming to join us for cleaning up after the event.  
Badges were discussed as the theme is Heroes – 'Golcar Hero' badges for volunteers.  
Louise to ask and discuss for next meeting.

Announcers still needed for village and field. Possibly needing a connection between the two.  
Potential for teachers to join in with the day and become announcers.  
Rowena to go into schools and talk to children and staff about GLD.

Venues Library – Good  
Scout Hut and field – Good. Normannis have been in touch – nothing concrete yet.  
Churches knitting – Meeting on the same evening to discuss what's happening.  
Village to be 'yarn bombed'  
Sue to sort who is yarning the church yard. Library to sort knitting on Town End. Prov to sort that area.

There was mention of potentially getting the Pixie Doll maker involved if we can get in touch with them and maybe they can join in a 'hunt' on the day. Potentially Mark to reach out through the website/ Facebook to see if contact can be made.

Mention of stone painting along the line of heroes for the Beavers and Cubs – Louise to speak to the scouts to see if this is possible.

Potential for drawing attention to the 'Heroes' of the village – particularly the Soldiers and local heroes currently buried in the church yard. 'How many types of Hero can you find?'

Suggestion of the schools having a poetry competition about their heroes to be hung up around the village on the actual day. Rowena to talk about this on her visits to the schools.

- Maps Craig has in hand
- Procession Fancy dress competition – Mayor to judge and set off the fun run – Sue Starr to discuss with relevant parties.
- Fun Run Mike Stamp is going to organise the fun run. 'SMART' is the organisation.  
Things to discuss – Places by age/ 1<sup>st</sup>, 2<sup>nd</sup>, 3<sup>rd</sup>. He does seem to know what he is doing  
with regard to the organisation. Sue Starr to talk to him.  
Possible extra prize for 'heroic' finish.  
Needs to be advertised now – as soon as possible – for people to be able to sort a costume.
- Music Band for procession – Margaret is sorting. Entertainment in the village is being sorted. Kirklees music would like to bring a small group to the village.  
Punch and Judy man is booked.
