Treasurer

£12,344.62

£2000 from by and buy and £4,000 from One Community has been donated.

£4000 is to be spent on 12 tables 80 chairs 3 trolleys to transport/store them.

Sue has written to John Broadbent to keep them at the brewery for now but we will need somewhere more permanent.

Soo will order them this week & get it delivered to the scout centre until GLD and John to store afterwards. Once GLD has them available to loan to anyone in the village who needs them, will need to get them stickered up as GLD.

This will cost around £3000.

This leaves £1000 (approximately) left to spend – Gazebos was an idea floated by many. Left over money to be discussed after GLD event if anyone can think of something from this year's event that would have been a good thing to have.

By and Buy money is to be going towards the music.

Ryder and Dutton estate agents have been in contact and were met by Sue Starr and Sue Stainton – they will be paying for the Samba band to be in attendance as their sponsorship of the event.

Gary Haigh of Valve Pro, donated £200 for the day Marion to send details to transfer money.
